

Borough of Mountain Lakes
Lakes Management Advisory Committee

August 4, 2015

Chair: Susan Ferguson

Members: Cook, Dewing, Kuehm, Mesicek, Rogers, Tippy, Wexler
Manager

Allied Biological: Glenn Sullivan

Council Liaison: Not present

Environmental Commission: Not present

Opened at 7:37

Chair:

July minutes approved.

Manager:

Discussion of beaver permits and process. Manager will review what can be done in winter season since we were rejected for out of season nuisance beaver control.

Discussion of aeration issues.

Discussion of deliberate drawdown of lakes in the Fall of Election Years, as well as other times as desirable for public welfare.

Allied Biological:

Minor treatment of water lilies to hold them in check.

Taking down notices of treatment when they expire.

Discussion of water lily issues in Birchwood.

Discussion of hydroraking and whether desirable in Birchwood. Maybe.

Old Business:

New Business:

Discussion of possible recommendation of aeration in Olive, Cove, and Grunden. Committee did not see a pressing need. Asked for additional information from Allied in future if necessary.

Adjourned: 8:23 PM

Next Meeting 9/1/15
