- I. Directors report:
 - a. COVID-19 Update:
 - Waiting for additional guidance from the governor.
 - Public tennis courts are opening on Friday
 - We are not using tennis fobs to avoid having to clean. That would require additional cost.
 - Beach Tags: There will be two ways to get forms. Online or in-person in a two hour window. We will need people to make copies of the license and prove residency.
 - Beach capacity: 200 for Birchwood. Island will be smaller. We will need to limit. Mitchell has cleared out picnic tables to avoid cleaning needs. We will use every other swing. Port-a-potty will only be cleaned once a day. The bathrooms may need to be closed. We sold 2300 beach tags last year.
 - Issue beach tags to non-residents
 - Or Daily Beach Tags
 - Agreement that passes will be limited to residents only until capacity is better understood.
 - DPW is not building new racks until after Island Beach facilities are complete.
 - We recommend we have someone at the tennis courts to monitor and clean. Karen will look into a signup.
 - Vote: Limit No tennis fobs
 - Passes
 - Vote: Limit Residents only
 - Passes
 - b. Track By-Laws
 - Reviewed draft by-laws provided by the Track committee
 - Items noted that are not compliant with Sports Guidelines established in 2014.
 - Recommended that positions have term limits.
 - c. Summer Camp Update:
 - Still hopeful we will do something. We have turned off new registration
