Minutes:

1. Discussed posting all minutes to ML Website, Method for providing link for members of public that request it, using a ML zoom. Council members are to look into and report back.
2. Reviewed property owner letter and printing quotes. Discussed whether printing or using link, postcards, etc. for brochure.
3. We decided to send postcard version of brochure with a link/QR code to access full brochure. This will save money and improve access/visibility.
4. Agreed to send Property Owner Letter Now-We will see what kind of response and feedback we get and then decide next steps
5. Discussed Medical and Recreational Cannabis dispensaries and decided we should do some research and gather some info before discussing further.
6. Reviewed continuing items (Rte 46 WB, Market Area, 420 Boulevard). We will revise the route 46 WB presentation to council and re-present to council so we can finish this item.
